

JOURNEY TO THE CENTER OF MACURH

2018 Regional Leadership Conference
August Newsletter | 08.21.2018

Hey MACURH!

Over the summer, the conference staff at Missouri S&T has been continuing their hard work to prepare Journey to the Center of MACURH! The 2018 Regional Leadership Conference will be held in beautiful Rolla, Missouri from November 2-4, 2018, and we cannot wait to see you there!

Now join us as we *dig deeper* into some conference updates...

SITE VISIT

The conference team hosted a successful site visit with the Regional Board of Directors over the weekend of July 13th-15th. Over this weekend, the conference team got the opportunity to collaborate with the Board to discuss a number of ideas and how to improve all aspects of the conference! Here are just a few of the areas of the conference that were discussed...

FACILITIES

Over the Site Visit, the conference team took the Board for a tour of the campus to take a closer look at the different facilities and how they could be used to their maximum potential. Each of these buildings were inspected for accessibility, program use, and reasonable walking distance from each other. We are excited to welcome you to our campus and state of the art facilities!

FINANCES

Our finances and sponsorship committee teamed up this weekend to work together and see where we could make the conference more cost effective. In particular, we looked to cut down on our expenses by obtaining sponsorships for the conference T-shirts and hospitality items. Both of these teams will be working hard in the next month to present the lowest price per delegate we can offer while still delivering a rock-star conference!

ROCK FACT OF THE NEWSLETTER

Dwayne "The Rock" Johnson – This rock is an American actor, producer, and semi-retired *professional wrestler*. This rock was the first third-generation wrestler in the WWF/WWE's history. Overall, this rock is considered one of the greatest professional wrestlers of all time.
